## LAKE COUNTY CRIMINAL RULES

**L.R. 45-C.R.2.2-1.** Local Rule for the Assignment of Criminal and Quasi Criminal Cases in all City, Town, County and Criminal Division Courts in Lake County

All infractions misdemeanors and felonies not filed by the prosecuting attorney in the city or town courts of the circuit shall be filed, assigned, and reassigned only in accordance with this rule. The terms “charges” and “offenses,” as used herein, means ordinances, infractions, misdemeanors and felonies, unless otherwise specified.

### A. Filing.

1. Except as otherwise provided, unless the prosecuting attorney elects to file a misdemeanor or infraction charge in a city or town court, all misdemeanors or infraction charges shall be filed in the county division of the superior court.
2. All murder, Class A, B and C felonies shall be filed in the criminal division.
3. Except as otherwise provided, the prosecuting attorney may file a Class D felony in either the county or criminal division.
4. If a defendant who is being charged with a Class D felony is on probation to the county division, has other charges pending in the county division, or has previously been sentenced in the county division for an offense, then the Class D felony shall be filed in the county division.
5. If a defendant who is being charged with a Class D felony is on probation to the criminal division, has other charges pending in the criminal division, or has previously been sentenced in the criminal division for an offense, then the Class D felony shall be filed in the criminal division.
6. Notwithstanding the filing requirements above, all charges involving multiple offenses or defendants shall be filed in the same division as one another if the charges arise from:
  - a. a single act;
  - b. a series of acts connected together or constituting parts of a single scheme or plan;
  - c. a conspiracy; or,
  - d. a number of offenses so closely connected in respect to time, place, and occasion that it would be difficult to separate proof of one offense from proof of the others.
7. Except as otherwise provided, and whenever possible, charges which have previously been filed and dismissed may only be refiled in the same division. This includes all charges arising out of the same offense report, arrest report, or set of operative facts.

### B. Assignment.

1. Charges shall be assigned within a division according to the following rules, which are listed in order of precedence:
  - a. Charges involving multiple offenses or defendants shall be assigned to the same judge if the charges arise from:
    - (1) a single act;
    - (2) a series of acts connected together or constituting parts of a single scheme or plan;
    - (3) a conspiracy; or,
    - (4) a number of offenses so closely connected in respect to time, place, and occasion that it would be difficult to separate proof of one offense from proof of the others.
  - b. Charges filed against defendant who has other charges pending shall be assigned to the judge handling the pending charges.

c. Charges filed against a defendant who has previously been sentenced by a judge shall be assigned to that same judge. If the defendant has previously been sentenced by more than one judge of the division, then the case shall be assigned to the judge who still has jurisdiction over the defendant through probation, if applicable, or else to the judge who sentenced the defendant most recently.

d. Charges against a defendant who has previously been a defendant in the division shall be assigned to the same room of the division.

e. If more than one defendant in a new case has other charges pending before separate judges within the same division, the new case shall be assigned to the judge with the greater number of cases pending against all codefendants in the case. If the number of such pending cases is equal for two or more judges, then the case shall either be randomly assigned to one of those judges or else be assigned to the judge whose cases are closer to disposition at the time of the new filing.

f. Charges filed in the county division involving violations of IC 35-48 shall be assigned to Room 2 of that division if the defendant is a resident of the city of Gary or the offense is alleged to have occurred in Gary.

g. All other cases shall be randomly assigned so that the assignment of all criminal cases to judges within a division is kept relatively equal.

2. Charges which have been dismissed and refiled shall be assigned to the same judge who had jurisdiction of the charges when they were dismissed. This includes all charges arising out of the same offense report, arrest report, or set of operative facts.

### C. Reassignment.

1. If a motion for change of judge is granted in a ~~felony or misdemeanor~~ case or an order of disqualification or recusal is entered in ~~a felony, misdemeanor, infraction or ordinance case, the case,~~ then the case shall be reassigned to ~~another a special~~ judge ~~of the same division following the rules of precedence set forth above. as outlined below.~~
2. Only the presiding judge of each court is eligible to become a special judge. However, any magistrate, referee, temporary judge or other quasi judicial officer operating under the supervision of the presiding judge is empowered to hear a case assigned, reassigned or transferred to the presiding judge as if the case were an original filing in the presiding judge's court.
3. The parties shall have the opportunity to agree to a special judge. Such agreement, and acceptance by the proposed special judge, must be received by the regular judge within 20 days of the disqualification or recusal.
4. If no agreement and acceptance is received in a timely fashion, a special judge shall be appointed from a list of eligible presiding judges on a rotating basis in each of the following case categories: OE, OV, IF, CM, FD, FC, FB, FA, MR, MC. Each such judge shall have the option to be removed from or remain on the list or, if omitted, the option to be added to said list. Each judge may also choose to limit the number of categories for which that judge will be eligible to hear special judge cases. However, Judges of City or Town Courts shall only be eligible to hear CM, IF, OV or OE cases.

5. The lists of eligible persons shall be maintained in the office of the Lake Superior Court Administrator (hereafter Administrator) and regularly updated. When it becomes necessary to select a special judge from said lists, the following procedure shall be followed:
- a. The judge who has recused or granted a motion for change of judge shall contact the Administrator for the name of the next available judge. The Administrator shall provide to that judge a name from the list on a rotating basis beginning with the first name on the list for the particular case category. The disqualified judge shall then issue an order notifying the special judge that he or she has been appointed. The city or county clerk's office shall then send the complete case file to the clerk's office servicing the special judge. No transfer fees shall be assessed.
  - b. The selected special judge to serve under this local rule must accept jurisdiction unless disqualified under circumstances set out in the Rules of Trial Procedure 79(H). Should the special judge be required to recuse, the special judge shall follow the procedures outlined above in Rule C(5)(a). Judges who have previously recused or were disqualified shall no longer be eligible as a special judge in that particular case. The order of appointment by the regular judge shall constitute acceptance. An oath or additional evidence of acceptance is not required.
  - c. If no judge from the list qualifies, the final judge that recuses shall petition the Supreme Court for the appointment of a special judge pursuant to Ind. Criminal Rule 13(D), for criminal cases, and/or Ind. Trial Rules 79(H)(3) and (K), for infraction or ordinance cases.
6. Motions for change of judge as of right (as opposed to recusal or disqualification) for infractions and ordinance cases shall continue to be governed by the Indiana Rules of Trial Procedure and nothing in this rule shall be read to conflict with those Rules.
6. Any protective order entered by the regular judge shall remain in full force and effect until addressed by the special judge, the judge receiving the case via transfer or the judge receiving the case upon filing of a Petition for Trial De Novo or Appeal from a city or town court.

**D. Transfer:**

~~This rule shall not prohibit the court from transferring a case from one judge to another or from one division to another in accordance with statute. This rule shall also not be understood to encourage or permit the transfer of a case merely on the agreement of the prosecution and defense.~~

#### D. Trials de Novo or Appeals from City or Town Courts

1. Upon filing a request for a Trial de Novo or Appeal from a city or town court for a misdemeanor, infraction or ordinance case and the posting of a bond, if required by the Trial de Novo Rules or by statute, the county division clerk shall randomly assign the case to the appropriate court of the county division pursuant to section B of this rule as if the case were a newly filed charge.
2. The clerk of the county division shall notify the city or town court from which a Trial de Novo or Appeal is sought as to the filing of the Trial de Novo or Appeal and whether a bond was posted in a misdemeanor case. The posting of a bond with the county division clerk for a misdemeanor case shall stay the execution of the sentence imposed by the city or town court. Bond shall be set pursuant to the bond schedule. With the consent of the city or town court, a bond originally posted in the city or town court may be transferred to the county division clerk and utilized as a Trial de Novo or Appeal bond.
3. No judge of the county division may decline the assignment of a Trial de Novo or appeal from a city or town court unless retaining jurisdiction by the county division judge would violate the Code of Judicial Conduct. Upon such a recusal, the procedures outlined in Sec. C of this rule shall be followed.

#### E. Transfers.

1. This rule shall not prohibit a town, city or superior court from transferring a case from one court to another. This rule shall also not be understood to encourage or permit the transfer of a case merely on the agreement of the prosecution and defense.
2. Pursuant to Ind. Criminal Rule 2.3, any reassignment of a case from a city or town court to the county division that does not involve the recusal of a city or town court judge or the filing of a petition for trial de novo or appeal, constitutes a transfer that requires the acceptance of a county division judge. Such acceptance must be obtained prior to the entry of any order to transfer from a city or town court.

#### F. Form Order
